Understand your bill better

Summary Bill Account Number

This is a unique number assigned to your summary bill. You can use this number to Manage and inquire about your Summary Bill, Add/Remove Etisalat accounts via Business Online Portal and Pay for your Summary Bill online in a single transaction without any manual allocation.

Billing Period

This is the period for which your Summary Bill is generated.

Last Bill Charges

Consolidated Outstanding/Overdue amount to be paid from previous bills of all your Etisalat accounts under Your Summary Bill.

Payments Received

Total payment received against the total Summary Bill amount or any of your Etisalat accounts under Your Summary Bill.

Adjustment

Total adjustment made towards any individual account(s).

Balance Brought Forward

Consolidated remaining balance to be paid from the previous month's bill for all your Etisalat accounts under your Summary Bill.

Current Bill Charges

Total Charges incurred during the current month for all your Etisalat Accounts under your Summary Bill.

Usage

Usage Charges incurred against the subscribed service for the respective account number.

Rental

Fixed monthly rent for the subscribed service for the respective account number.

Changes since your last bill

This section reflects the changes in your accounts during the "billing period" which has affected your "total current bill charges", such as change of package or service cancellations.

Total Due

The "Total Due" is the outstanding amount due for all Etisalat accounts under your summary bill, which is equal to Balance Brought Forward (+) Current Month Charges.

Payment Due Date

Payments to be made before this date.
